

WOMEN ON THE ROAD 2018

Please join us on our three-city tour celebrating our
Democratic women senators and candidates!

MENLO PARK

LOS ANGELES

SEATTLE

The Women's Senate Network was established in 2001 by Senator Debbie Stabenow to keep its supporters informed of the impact that Democratic women senators have in the United States Senate. Through this program, the DSCC builds support from women across the country and helps strengthen their commitment to electing more Democrats, and ultimately more women, to the United States Senate. For the past several cycles, the DSCC's Women's Senate Network has organized a three-city fly-around, with events in Seattle, San Francisco, and Los Angeles, celebrating our Democratic women senators and candidates.

We hope you can join us for this special event. For more information, please contact:

The first \$2,700 from a person and the first \$5,000 from a multicandidate committee to each candidate committee will be considered designated for the primary election and the second \$2,700/\$5,000 will be considered designated for the general election, unless the primary election has already occurred, in which case the contribution will be considered designated only to the general election.
