Return Reference	Explanation
X 2	Accounting principles generally accepted in the United States of America require the Foundations management to evaluate tax positions taken by the Foundation and recognize a tax liability or asset if the Foundation has taken an uncertain tax position that will more-likely-than-not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken by the Foundation, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. Accordingly, no liability has been accrued.
